1	Improved efficiency in property registration and other land related matter	i i	A. Enhance transparency, streamline processes, and facilitate a more accessible, secure, and efficient system for land transactions in the State	Harmonize land administration processes through digitalization, standardized procedures, and interagency collaboration, integrating geospatial technology and robust data security	* SMEs *Private Investors *Applicants for land CofO *Business Owners		Surveyor General	*Nigeria Association of Small and Medium Enterprises (NASME) *Nigeria Institute of Surveyors (NIS) *All Farmers Association	N300 Million	30/01/2024	30/04/2024	On-going: Resulting Impact: ✓ Digitalization of processes	Achievement: ✓ 100% Improved efficiency in processing land titles. The initial challenges	Next steps: ✓ Expansion of the property Enumeration exercise to new towns
			A.1 Fostering public awareness and ensuring legal framework alignment, to achieve efficient property registration.	Formal launch of the land administration processes in the State	*Applicants for Construction permits			of Nigeria (ALFAN) *Uyo chamber of Commerce, Industry, Mines and Agriculture				over Primary Land transactions, searches,	included data integrity issues, limited technical capacity,	under Zones B and C within the state.
			A.2. Establish and build consensus among relevant MDAs on institutional and policy reforms being proposed and/or implemented including but not limited to developing and maintaining digital titling of all landed properties in the State	Ensure at least 70% of buildings in major towns (Uyo, Abak, Itu and Ikot Ekpene) are enumerated and recorded				(UYOCCIMA) *Nigeria Incentive-Based Risk Sharing System for Agricultural Lending (NIRSAL Plc.)		04/01/2024	30/04/2024	caveats and Issuance of Certified True Copies of title documents. (Ongoing).	cybersecurity risks, and inadequate infrastructure for seamless digital transformation.	✓ Fulllaunch and issuance of E- Certificate of Occupancy. The completion of
			B1 Publish the process for obtaining CofO including all relevant MDAs, time frames and costs on the State official website	The Ministry of Lands & Town Planning in collaboration with Akwa Ibom Geographic Information System (AKWAGIS), will offer detailed guidance on obtaining a Certificate of Occupancy in the State.								✓ Integration of geospatial technology /security to foster interagency collaboration.	✓ Enhanced interagency collaboration and data sharing. We hope to overcome resistance to change from established	AKWAGIS Corporate headquarters. ✓ Other immediate actions include stakeholder
			B2. Publish the process for obtaining construction permit including all relevant MDAs, time frames and costs on the State website.	Uyo Capital City Development Authority (UCCDA) in collaboration with Ministry of Housing shall provide comprehensive information on the process of obtaining Construction permits in the State.								(Ongoing) ✓ Enumeration of more than 70% of Buildings in Zone A classified towns. (completed)	workflows and legacy systems. ✓ More than 70% of Buildings in towns classified under Zone A	sensitization, capacity building, robust cybersecurity implementation, infrastructure upgrades, and
			B3 Develop the Terms of Reference (TOR) for creation of data-centric digital archive of CofOs with a searchable index in accordance with international standards	AKWAGIS in collaboration with Ministry of Lands to ensure end-to- end processing of land transactions at the data center and digital archiving of the electronically signed registered CofOs and other instruments									have been captured and can be transacted with via the Enumeration data.	the establishment of clear digital policies and standards.
			B.4. Digitization and indexation of existing CofOs in a digital archive	Ensure at least 75% of existing certificates are digitized and archived.										
			C. Establish Framework for Responsible and Inclusive Land Intensive Agriculture (FRILIA)	(i) Set-up FRILIA Steering Committee to develop FRILIA document to address challenges in Land administration for Agricultural and Industrial purposes in the State; (ii) Create a Multi-Stakeholders' Platform (MSP) for consultation on key issues		Ministry of Agriculture and Rural Development			N100 Million				Achievement: V FRILIA has improved investor- community relations and reduced land conflicts through transparency, community consultation, and environmental.	Next steps: ✓ Promote inclusive stakeholder engogement by amplifying the voices of
			C.1. Issuance of Executive Order on FRILIA	The Steering Committee shall develop an Executive Order on FRILIA for review by the Ministry of Justice, before execution by the Governor.								Inclusive Land- Intensive Agriculture (FRILIA) has accelerated improvements in the	environmental safeguards in land acquisition. The likely challenges include weak institutional capacity, conflicting	women, youth, and indigenous groups in decision-making. It involves the strengthening of institutions,
			C.2. Adoption and implementation of the FRILIA	FRILIA Steering Committee shall ensure the adoption and implementation of FRILIA in the State								governance of land-based investments. (Ongoing)	land interests, inadequate stakeholder engagement, and limited awareness of FRILIA principles at local levels.	instrutions, raising awareness, enforcing inclusive policies, and ensuring community involvement.
